

A2A HEALTHY BOARD GOVERNANCE TRAINING

EQUIPPING LEADERS, EMPOWERING CHURCHES

Governance done well can help to ensure the healthy management of churches - Rob Nyhuis

WHAT IT IS:

A2A's Healthy Board Governance Training equips current and prospective board members to provide effective governance, strategic oversight, and accountability within the local church.

Delivered over 7 online sessions, the course develops the knowledge and skills needed to:

- Steward the church's mission, vision, and strategic direction.
- Select, support, and review the Senior Pastor.
- Ensure appropriate people, finances, and resources are in place.
- Maintain legal, financial, ethical, and governance accountability.
- Oversee risk management, property, policies, and health and safety responsibilities.
- Recruit and develop future board members.

This training equips board members to serve with wisdom, accountability, and a commitment to the health and mission of the church.

WHY IT IS IMPORTANT:

Healthy churches require healthy governance. This training equips board members to steward their responsibilities well, supporting the church's mission, leadership, and long-term flourishing.

HOW IT IS DELIVERED:

7 online modules available through the A2A Course Library.
